

Maintenance Worker

As a maintenance worker, you'll play an important role in keeping our campground safe, functional, and welcoming for all guests. This hands-on position involves performing routine repairs, upkeep, and troubleshooting with a focus on mechanical requirements of the property. You'll assist with everything from general grounds and building maintenance to mechanical work on equipment and park systems. Whether it's fixing a plumbing issue, repairing small engines, or making sure facilities are in top condition, your work helps keep daily operations running smoothly.

➤ Responsibilities:

- Including, but not limited to, electrical outlet replacements, finding & patching leaks in waterlines and/or sewer lines.
- Attend service calls from campers during the camping season.
- Oversee the maintenance of walkways, roadways, parking lots, and other paved areas.
- Grass cutting and upkeep of campsites, including moving picnic tables, cleaning fire pits, raking, weeding, shoveling, and other duties as assigned.
- Coordinate with external vendors for services such as pest control, waste management, and equipment repair.
- Monitor and maintain ground maintenance equipment & certain appliances.
- Coordinate and/or execute repairs and schedule routine maintenance.
- Ensure that all equipment is used safely and efficiently.

➤ Qualifications:

- Mechanical experience is considered a strong asset
- Familiarity with the operation and maintenance of groundskeeping equipment.
- Effective communication skills and the ability to work collaboratively with team members.
- Must have strong adaptability and problem-solving skills
- Ability to perform moderate and heavy physical activity
- Experience in grounds maintenance or a similar role is considered an asset.

➤ We are willing to train for specific tasks, but a fundamental understanding is necessary.

Day and evening shifts. Weekdays and weekends. Primarily working outside. Be prepared for various weather conditions - sun, rain, wind, and varying temperatures
